PROSPECTUS

EAST POINT SCHOOL
VASUNDHARA ENCLAVE DELHI

Run by East Point Education Society

School History

East Point School is a government recognized school affiliated with CBSE offering high quality co-education to students from Nursery to Grade 12. The school was established in 1985 with a humble beginning in a rented building located in Preet Vihar, New Delhi. After years of efforts, a 4 acre plot of land was allotted to the society in 1998 in Vasundhara Enclave and the school shifted there in 1999. Since then the school has grown in strength and it now has its own 4 tower complex along with 2 acre sports facility area.

Our Motto

Knowledge for Peace and Unity

The logo represents our endeavour to sensitize the future generation by providing equal opportunity to all irrespective of caste, creed, religion and sex. We believe in imparting education that brings about unity in diversity which completes the social fabric of our country.

Dove is the universal symbol of peace and thus we aim to inculcate learning among our students that calls for peace in all aspects of life and relations with each other.

The brightly lit lamp (Diya) symbolizes new age of enlightenment in changing education environment. Hope, vision, confidence and wisdom represent our values. We want to proceed forward to a bright future by eliminating the negative forces.

Maths Department

- Practical classes conducted for classes I to X.
- Concepts are made clear through collaborative fun activities.
- Collection of games, puzzles and other teaching materials used to develop interest.

Language Lab (English Department) and Resource Centre

A new English Language Laboratory has been provisioned with a seating capacity of 30 students at a time. The objective is to facilitate the effective language training for correct English usage. Audio-visual aids are adopted to teach basics to Students from classes I to VIII. Speaking, listening skills are the focus for developing effective communication.

Smart Class & Audio Visual Room

- Fully air conditioned special multimedia room.
- All classes equipped with Edu-comp smartclass with appropriate content and software.
- Interactive modules like videos and presentations for teaching students.

Special Education & Counselling Department

As a part of providing comprehensive counselling, the school has established its separate department to help students cope with occasional problems that they face with regards to studies or personal issues. Our learning centre provides support to student by providing continuous focus on their level of improvement. Thereby, counsellors take in consideration behavioural, collaboration and systemic change to determine the issues.

Physics Department

- Equipped with modern amenities and latest materials and supplies.
- Experiment performed by students under strict supervision.
- Separate physics kit models available for students to help them understand concepts.

Junior Science Lab: For activity based experiential learning for primary classes.

Social Science Department

- Well-equipped social science lab with maps and class specific audio-visual aids.
- MUN, mock parliaments, excursions like visit to parliament, historical monuments and similar activities to stimulate experiential learning.

Computer Department

- Computer lab is well equipped with P-4 to I3 computers for classes I-XII.
- Wi-Fi campus connected by broadband internet connection.
- Advanced infrastructure catering to the requirements of the students, teachers and the curriculum.
- School website updated with important information to maintain transparency.

Career Counselling & Workshops

With our continuous effort to direct students in right path, East Point has always focussed on academics as well as other activities to find out the best for each kid. With this vision we arrange workshops on a regular basis that are headed by experts from different fields. Students in our school are exposed to performances by world-renowned artists from Spic Macay (Society for the Promotion of Indian Classical Music And Culture Amongst Youth).

Environment Programmes

- The environment club, The Green Brigade, gets support from the Department of Environment, Government of NCT, Delhi.
- The school has been ranked IIIrd (Delhi region) in Green School Award category by Centre for Science & Environment.

- Our club has collaborated with various NGOs like Globe, WWF, Prabhat & Rotary Club to sensitize students on current environmental issues.
- Programmes and activities are held to support various environmental causes.
- Electricity through solar panels, in-house paper recycling, composting etc. are among routine green habits of the campus.

Sports Department

The school is proud to have state-of-the-art facilities for:

Tennis

Basketball

Football

Cricket

Athletics

Soft Tennis

Soft Ball

Volleyball

Karate

Skating

Baseball

Boxing

We have well-qualified coaches for each individual sports who train during and after school hours.

Co-Curricular

Well trained staff for various co-curricular activities like yoga, classical and contemporary dance forms, vocal & instrumental music, arts & crafts etc.

School Library

- Innumerable collection of subject reference books for students.
- Students also have access to daily news periodicals.
- Other than course books, library has vast section dedicated to fiction and non-fiction authors.

Medical Room

- The school has a well-equipped infirmary headed by a Doctor and Nurse.
- Annual medical check-ups are conducted for every student.

Parent – Teacher Association (PTA)

East Point School has an active Parent Teacher Association. The executive committee of PTA meets from time-to-time to discuss issues related to the functioning of the school. Inputs are taken into consideration for the celebration of special functions. Winter Carnival is the penultimate event of the year and the proceeds from it are used forward for awarding scholarships.

Aims & Objectives

We strive for academic excellence & individual growth that allows us to prepare our students for overall challenge that they may face in future. At the same time we are aware how basic and inevitable moral values play a great role in shaping the future of students. With this objective on board, our school trains pupils to be honest with their parents, teachers and fellow students.

The staff and management of East Point School are empathetic, caring and determined motivators who do not waste any single chance to encourage kids at every step. By instilling perennial values, we create opportunities for students that help facilitate their talent and potential.

The education here transcends the confines of the classroom and adopts a progressive curriculum. We strongly believe in the value of whole education instead of just teaching school syllabi. The school aspires to set trends in education by imbibing core universal values and leadership qualities.
