

Greetings for the day!

"Life presents many choices, the choices we make determine our future."

The Stream Selection Form for class XI is given below. We request you to kindly guide your child and together take a unanimous decision on the most important milestone of your child's educational journey. The wise Choice of Stream paves the way for all future endeavours of the child. Thus it is extremely important that the decision is taken with much caution.

In case you need more guidance and clarity on the same, you requested to fix up an appointment with the school for the counsellor between 9 am to 11 am.

Also, note that for opting the Science Stream the child must have above 75% in the Pre-Board of Class X. However, the final decision might change once the Final Board results for class X are declared.

Optional & Additional subjects will be available for enrolment ONLY with a minimum of 30 students and maximum 50 students. Therefore, the final decision regarding the allotment of subjects to the students will depend on the number of students too.
